RE: 2008 September Monthly Report

Dear Ms. Della Rocco:

This letter is in response to the Commission's request for additional information related to the disclosure of the committee's reimbursements to its connected organization for incidental staff usage on Schedules D and E of the above referenced report filed by the International Association of Fire Fighters Interested in Registration and Education PAC (IAFF FIREPAC).

The committee's counsel has discussed this matter with Debbie Chacona. It is the committee's understanding that the Commission will not take issue with the committee's previous practice of reimbursing its connected organization for incidental staff usage after the expense has been incurred. However, in the future, the committee has agreed to pay its connected committee in advance for staff usage.

In addition, the Commission has also asked about the reporting of an in-kind contribution on the September Monthly Report. The committee is in the process of amending this report to insure that the in-kind contribution is reported on Schedule B of the report as well.

Finally, the Commission has indicated that the committee may have failed to file a 48-hour notice of an independent expenditure. A review of the committee's records indicates that all 24 & 48-hour reporting notices for the 2008 election cycle have been filed on time. Independent expenditures that are disseminated but not immediately paid for are entered as memo entries on Schedule E and when the vendor is paid an additional non-memo entry is added to Schedule E.

If you have any additional questions, please feel free to contact the Committee.

Sincerely,

Vincent J. Bollon  
Treasurer
